CAREER GUIDENCE, TRAINING & PLACEMENT CELL

The placement cell aims at making students as the part of planning, formatting and executing the day-to-day activities of Career Guidance, Training and Placement. This makes them a part of the procedural set-up, which goes a long way in building their responsible character and helps them to be good planners, confident individuals, promising leaders and better human beings. The Career guidance training & placement cell will provide an opportunity to all the students to make their career in the pharmaceutical industry, management.

Roles and responsibilities of T & P Cell:

- To look after the training and placement needs of students.
- To coordinate with the companies for providing in-plant training to students.
- To contact and communicate with companies to provide placement to students.
- To collect feedback from companies for the quality of recruited students.
- To organize campus interview and open Placement events.
- To organize Entrepreneurship and soft skills development Programs.
- To place number of students through off-campus interviews conducted by the Pharma. Companies.
